

Down On Misery Farm 4
The Girl's Version

*Down on Misery
Down on Misery
Down on Misery Farm School
Where you work all day
And get no pay
We wax the floors
And scrub the doors*

*Down on Misery
Down on Misery
Down on Misery Farm School*

Down On Misery Farm
(The boys' version)

*Down on Misery
Down on Misery
Down on Misery Farm School
Where you work all day
And get no pay*

*Down on Misery
Down on Misery
Down on Misery Farm School
When I leave the blasted Fairbridge
Oh, how happy I will be*

*And gone are the days
When I was young and free
Now are the days
When I work in slavery*
